Special services are available to those who need special accommodations.

Admittance procedures are as follows:

2. Full registration – all forms in the enrollment packet **MUST** be completed prior to acceptance
3. Copy of birth certificate
4. Copy of immunization record or immunization waiver signed by student's doctor
5. Educational testing may be performed to determine student's level of ability if transferring in from another district

» **A.R.S. 15-841** states that a school district may refuse to admit any pupil who has been expelled from another educational institution or who is in the process of being expelled from another educational institution.

Students who have been expelled from another school will be interview by the Director, Principal, Administrator, Vice-Principal, and possibly the school board, and may be admitted on a "one strike, you're out" contract. If a student has been on a long-term suspension, and has been accepted at Berean Academy, they will be placed on an attendance, behavior, and academic contract.

*No student who has been expelled from another school and has been accepted for enrollment will be officially admitted until **ALL** records from previous schools have been received
